SETH M.R. JAIPURIA SCHOOL - 30 YEARS OF EXCELLENCE IN EDUCATION

An academic institute should stand for dreams, building of character & skills, and defining a person's life. At Jaipuria, we understand that the years that a student spends with us would 'shape or break' that individual, so there is great power and greater responsibility in the hands of the school. The purpose of Seth M. R. Jaipuria School, Khalilabad is to prepare a new generation of responsible social leaders that will help the world at large, be proactive to meet the global challenges of the 21st century and surpass beyond the realms of the ordinary. The entire value system of the school is driven around innovation, creativity and entrepreneurship. The underlying context is always that there should be a desire for excellence, zeal to go beyond the regular, and provide for growth and development of individuals and societies in the coming future. We welcome you to experience this magnificence in your city, Khalilabad!

I AM IN KHALILABAD

Khalilabad lies on the Ayodhya-Gorakhpur road. This is the geographic intersection of Basti and Gorakhpur. It serves as the district's administrative centre, Sant Kabir Nagar. The Mughal emperors can be found in the town's history, despite its small size. The town was named after its founder, Qazi Khalil-ur-Rahman, who served as Gorakhpur's chakladar from about 1860 AD. City is well-known for its fabric wholesalers, readymade garment retailers, and other businesses including brass work. This place is connected with Kabir. This is the place where he departed from this mortal world. After his departure, his disciples found fragrant flowers only and made two memorials for Saint Kabir. The memorials are situated here just 100 meters away from each other.

MESSAGE FROM THE DIRECTOR

GLOBAL EDUCATION WITH AN INDIAN SOUL

Conventional teaching methods are now relics of the past. India is going through humongous socio-economic and socio-political changes and is poised to become a super power in the next couple of decades. To see her through to this ultimate goal, she will need future citizens who are empowered with the requisite learning. I am pleased to state here that our goals and vision are in total synchronicity with that of our nation and it will be our unstinting endeavor to equip our students with global standards of learning so that our children become the masters of our destiny.

At Jaipuria School, education will go beyond books to instill social consciousness, inclusivity, ethics and an all-round personality with a healthy mind and body. That is the Jaipuria way of life.
